## □ Admission criteria

### o Common criteria

- Based on all the submitted documents such as personal statements, transcripts, and letter(s) of recommendation, UNIST considers various factors comprehensively including academic ability, personal accomplishments, study plan, vision and potential when determining admission.

- Evaluation of the documents and telephone interview will be conducted by two or more evaluators.
- o Dossier evaluation
  - After the evaluation of documents, all the applicants are decided as "Accepted", "Interviewed", or "Rejected".
- o Interview
  - Telephone interview will be only given to the applicants selected as interviewees
  - After the interview, all interviewees are decided as "Accepted", "Candidate" or "Rejected".

**Important notice for all the applicants**

- o If any of the submitted materials contains falsified information, admissions may be rescinded.
- o Students whose graduation is pending at other institutions during the time of application should submit their graduation certificates / diplomas within 20 days of enrollment at UNIST. Failure to submit these documents may result in their enrollment cancellation.
- o All the submitted documents shall not be returned to the applicants.
- o Even if the admitted give up enrolment in UNIST, the deposit shall not be returned.
- o Applicants should take full responsibilities for any mistakes or omissions on the application.
- o All the documents should be accompanied by a notarized English translation.
